COCO CABANATINI  $7.75
Bacardi Coco, crème de banana, Goldschlager cinnamon schnapps and fresh cream served with a coconut rim and cinnamon sprinkles.

The martini's popular reign began in the early 1900s. Then, during Prohibition, the martini rose in popularity due to the quick accessibility/production of gin. Whiskey declined because it required too much aging and couldn't keep up with demand at speakeasies.

A 17% gratuity will be added to your check. Prices are subject to change. Your check may reflect an additional tax for certain ports or itineraries.
**Martinis**

A shooter (or shot) is a one- to four-ounce alcoholic beverage. It may consist of one type of alcohol or a cocktail of different alcohols, often mixed with other beverages. Shooters can be shaken, stirred, blended, layered or simply poured. Shot glasses or sherry glasses are the usual drinkware from which shooters are served.
